

The image displays a detailed architectural site plan for a residential development, overlaid on a topographic map. The plan features a central green area with a pond and a 'DURCHGÄNGIGER LÄRMSCHUTZWALL' (permeable noise barrier). The development includes various building types: 'EPH II+HG' (apartment buildings), 'DH II+HG' (detached houses), 'WOHNHOF' (apartment complex), 'TOWNHOUSE II+HG-SD' (townhouses), and 'MEHLHOF-SD' (municipal hall). The plan also shows 'STPL BESUCHER' (public spaces), 'ANGER' (square), 'SPELPLATZ' (play area), and 'PRIVATGARTEN' (private gardens). The site is bounded by 'Am Mauerberg' to the west and 'Am Kirchhof' to the east. A 3D rendering in the bottom left corner shows a modern, multi-story residential building with a flat roof and large windows, surrounded by landscaping and a paved area with people walking and a stroller. The rendering is labeled 'WOHNHOF'.
